Dear County Director of Social Services:

Attention: Adult Services Supervisor and Fiscal Staff

Subject: Adult Care Home Case Management Reallocation

At the end of April, 2006, it became necessary to complete an additional reallocation schedule due to changes in spending patterns by some counties from the first six months of the fiscal year.

This [Adult Care Home Case Management Services fund reallocation](#) has been completed and is now posted on the North Carolina Division of Aging and Adult Services web site.

Questions regarding the Adult Care Home Case Management Services fund reallocation can be directed to Charles Williams, Division of Aging and Adult Services at (919) 733-3818 or by email at charles.williams@ncmail.net

Sincerely,

A handwritten signature in black ink that reads "Dennis W. Streets".
